Subject: Absence from Lecture & Request for Class Materials - LSFE

Dear Dr. Paravathy,

I am writing to inform you that I was unable to attend our LSFE lecture on 1 October due to illness.

I am currently catching up on the material covered during class. If possible, could you please share a copy of the lecture notes or slides, or direct me to where they might be posted? Additionally, please let me know if there were any key announcements or updates that I missed.

Thank you for your time and understanding.

Best regards,

Siddharth
